Senior Class Trip

77

This
year our Senior
Class went to Florida.
We stayed in two places,
Orlando and Daytona.

On February 16, we left the school at 4:00 a.m. We rode a school bus to Watertown and then rode a Greyhound bus to Orlando, Florida. The day we arrived in Florida, we only had one Motel room for the girls and one for the boys. It was hard to change when 24 girls were in one hotel room. After everyone got changed, we got back on the bus and went to Sea World. There were many shops and many Marine shows you could attend.

Friday night after we returned from Sea World, few people walked steadily to their rooms.

The next day we went to Disneyworld and a great time was had by all. Some people went to a Polynesian Luau and saw Hula dancers and ate out of pineapples. The second day at Disneyworld, alot of us were very tired but we tried to see all we could.

The next day, Monday, we rode to Cypress Gardens, near Daytona. We stayed there half a day. We saw the Water Ski Show and enjoyed the quietness of the gardens.

We drove to Daytona Beach after we left Cypress Gardens.

Our hotel was right on Daytona Beach with a heated pool. The ocean was very cold and few people took advantage of the high tide. Our last day of the trip was at Daytona and we left Tuesday night the 21st for the long ride home. We arrived in Parishville after a delay in Watertown. Harry Miller got appendicitis and was left in the Watertown hospital.

Our parents and friends welcomed us at 1:00 a.m., February 23rd.

We worked hard for this trip and we could not have made it without the help of everyone who patronized us. We would like to thank our parents for letting each one of us go and our chaperones, Mr. and Mrs. Evan Harper and Mrs. Barbora and Mr. Harold Phippen.

The Bathroom Before Our Smoking Lounge

This year has marked change for the student body at P.H.C.S. We have made much progress towards improving relations between ourselves and the Administration. We have also made progress with the Board of Education and really found out that if we are willing to compromise that they are willing to extend more privileges to us. Evidence of this is the recent decision of the Board to try a smoking area for 9-12 students. We would like to take this opportunity to thank the Board for their time and cooperation. It is our realization that these privileges are not gifts and if we intend to keep them we must be willing to give something in return. The Student Council will continue to cooperate with the Board of Education to improve our school. We realize that the battle has just begun, we must now start to try our best to make the smoking area work so that it will solve the problem it was intended to. Who knows, if we are able to accept this responsibility successfully this may be just the beginning.

Matthew A. King
President of the Student Council

The Senior--Junior Prom of 1976 was held at Fiaocco's restaurant on June 7. A dinner was held before the band, Double Axile played music that everyone enjoyed. It was not a traditional prom and for this reason many people did not attend.

"Which one is the Monkey"

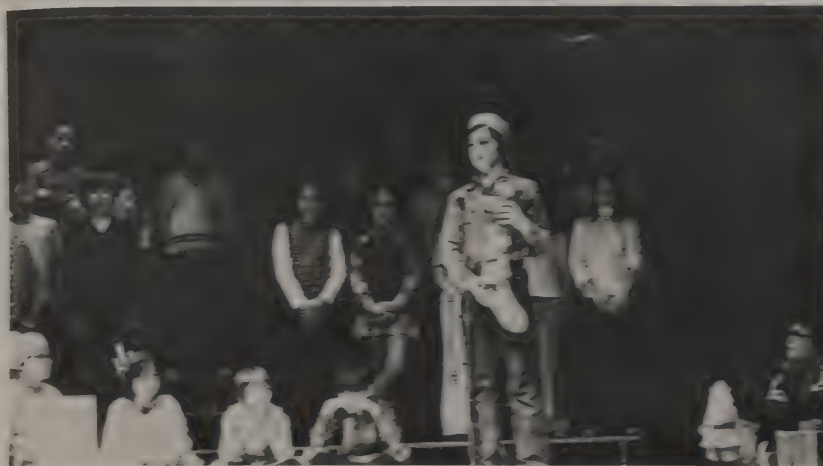

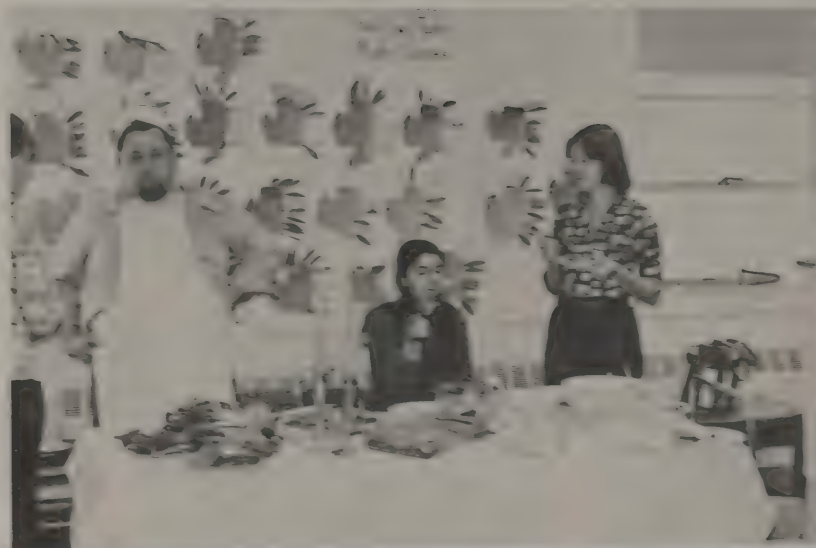

The Champion! Dave Wells
receiving trophy from announcer
Ricky Spencer.

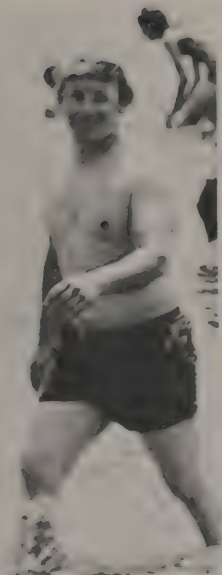

The first banana eating contest was held in the P.H.C.S. auditorium. This was supposed to raise money for the Senior Class, but the contestants ate up all the profits. The winner was Dave Wells, he ate 17 bananas. The runner up only ate 10 bananas. Some teachers tried it also, but didn't do too well. The rules were to eat as many bananas as possible in five minutes. Dave Wells was presented with a Banana Trophy.

Teachers tried it too. Mr. Vocarro and Mr. Rusnyniak
